SUMMARY

Driven Computer Science student specializing in Data Science, skilled in C, C++, Python, Java, and basic web development. Strong multitasker who thrives under pressure and is dedicated to continuous learning. Currently developing advanced data analytics skills to deliver meaningful insights and support data-driven decision-making.

WORK EXPERIENCE

Data Analyst Intern — Internship Studio

Nov 2025 - Present

- Working with datasets to clean, process, and analyze data.
 - Practicing Python-based data analysis workflows.
 - Supporting small analytical projects under mentor guidance.
-

ACHIEVEMENTS & CERTIFICATION

Cisco Python & Data Science Certification

- **Cisco Python Essentials** — learned Python basics, including functions, loops, data structures, and scripting.
- **Cisco Data Science Essentials** — acquired knowledge of data workflows, analysis, visualization, and statistical concepts.
